Christian Community Placement Center

Welcome

We at Christian Community Placement Center welcome this opportunity to assist you in your desire to resolve your problems through counseling. You will be encouraged to clarify your options and make choices that will increase your personal satisfaction and enhance your physical, mental, and emotional health.

Appointments

Appointments will be scheduled with the business office and usually last 50 minutes for counseling. Please be approximately 15 minutes early for the initial appointment to fill out paperwork, and please bring any insurance information at that time, including ID and group numbers. Due to our therapist's busy schedules, if you are more than 15 minutes late for your appointment we will be unable to see you and you will then need to reschedule for another appointment time.

You are responsible for the payment of all charges incurred. Our policy is that we request payment at the time of the session. We are happy to assist you by billing your insurance company on your behalf. You will receive a monthly statement of your account, and prompt payment of any outstanding balance is requested.*

Cancellations

Cancellations require a full 24-hour notification so that we have an opportunity to reschedule that time slot. If this is not observed, you will be charged \$35.00 for the session,* **and your insurance cannot be billed for that charge.** If three (3) scheduled appointments are missed without 24 hour notice, Christian Community Placement Center reserves the right to terminate services. Please ask if you have questions regarding this policy, as we do enforce it.

Leaving Messages by Phone

Office hours are 9am to 5pm, Monday through Thursday and 9am to 2pm on Fridays. Our answering machine operates 24 hours a day, so you can leave a message at night, on weekends or holidays, or even during the workday should we be unavailable to answer the phone.

Risks vs. Benefits

As in anything new, there are inherent risks in a treatment relationship. Due to the intense nature of self-evaluation and awareness, clients typically experience a range of emotions coupled with periods of imbalance. These periods lend themselves to states of confusion and disorganization. However, as in any growth process, the ups and downs usually balance out. If you choose not to seek treatment or outside assistance, you may find that doing nothing results in no change of your condition or behavior.

Consent to Treatment

I have requested treatment from Christian Community Placement Center (CCPC). I understand that testing, diagnostic procedures, and therapy are determined and administered through professional judgments made by CCPC Staff. This treatment may include individual and/or group therapy, and may include consultations with CCPC Counselors, Prescribers and other CCPC Staff/outside clinical supervision consultants. I understand that treatment procedures will be developed according to a mutually agreed upon treatment plan between me, my child (if receiving treatment) and the CCPC staff. I also understand that I will be given an explanation of the purpose of any prescribed medication and potential side effects.

I understand that I am free to withdraw from this relationship at any time, and I agree to attend a closing session upon termination of treatment. I also understand that I am free to file a grievance at any time.

Fees*

Counseling fees are:	Initial Session \$175.00
60 Minutes \$125.00	20 minutes \$50.00

Payment of Fees

You are responsible for the payment of all charges incurred. Our policy is that we request payment at the time of the session. We are happy to assist you by billing your insurance company on your behalf. You will receive a monthly statement of your account, and prompt payment of any outstanding balance is requested. * **Not applicable for OHP**

PCP Communication

You or your child has enrolled in services with CCPC. As part of your treatment, Oregon law mandates that we communicate with your Primary Care Physician to coordinate your behavioral, physical and mental health needs. You do not need to sign any additional releases of information. This communication will continue throughout the course of your treatment here. Shared information will include, but is not limited to:

- Prescribed medications
- Significant changes in medications or treatment approach
- Diagnosis and HIV status
- Termination of service

CCPC's Individual Client Guidelines

As in anything new, there are inherent risks in a treatment relationship. Due to the intense nature of self-evaluation and awareness, clients typically experience a range of emotions coupled with periods of imbalance. These periods lend themselves to states of confusion and disorganization. However, as in any growth process, the ups and downs usually balance out.

If you choose not to seek treatment or outside assistance, you may find that doing nothing results in no change of your condition or behavior.

You deserve to have a healthier, happier, more functional life. You will gain the maximum benefit from our program if you are open, honest, and willingly participate in individual and group therapy.

Here are some hints for successful individual and group sessions:

- ✧ Stay open to the process
- ✧ Be aware of what you are feeling
- ✧ Share your feelings with your therapist or group members
- ✧ Complete journal and writing assignments; denial has a difficult time surviving in writing
- ✧ Ask questions (there are no dumb questions)
- ✧ Have courage to change
